CREATING MEMORIES -
THIS IS WHAT DAD LIVED FOR

ARRANGING HIS CREMATION ONLINE
ALLOWED US MORE TIME TO FOCUS
ON WHAT MATTERED MOST -
HONORING HIS LEGACY.

Unlike many traditional funeral homes, SouthCare® owns and operates its own crematory. Our highly trained staff operate with the utmost professionalism and integrity.

As part of your service, you can hold private or public viewings prior to cremation or witness the cremation, if desired. As a transparent operating company, we offer tours of the crematory as well. Find the ultimate peace of mind in knowing that your loved one is in our care until the cremation is complete and the ashes are ready for final disposition.

CREMATION SERVICES

SouthCare® offers a wide range of service options for cremation, from Simply Dignified Cremation™ (Immediate Cremation) to a full, traditional or contemporary memorial service. Whatever your preference, our knowledgeable staff can assist you with planning a service that fulfills your loved one's wishes and honors them in a way that is uniquely personal.

For families electing to hold a service prior to the cremation, we provide the opportunity to purchase a casket for viewing or visitation. This gives families a cost-effective solution to be able to pay last respects before a loved one is cremated.

SouthCare® Funeral Directors are experienced in arranging all types of services whether faith-based or non-religious. Each service is handled with the utmost care and respect for the family and your loved one's wishes.

For those who wish to plan their final arrangements in advance, our Society Membership is an ideal choice. Advance planning of your final arrangements allows you to make smarter financial decisions that fit both your needs and wishes, and grants you peace of mind in knowing that your loved ones are relieved of making these difficult decisions at a challenging time.
