FUNERAL SERVICES

A traditional funeral service includes the preparation of the body prior to burial, as well as visitation and a ceremony. Visitation can take place the night before or the same day of the funeral. We can coordinate funeral services within one of our chapels or multi-purpose rooms, or at a place of your choosing. SouthCare also offers limousines to transport family members, providing the opportunity for your family to travel together.

A graveside service takes place at the cemetery. A simple and economical option for families, a graveside service provides the opportunity to pay respects to your loved one without a formal visitation. Graveside services may include music, dove releases and other personalized approaches to honor and celebrate the life of your loved one.

In addition, ask us about the following:

- Free Personal Planning Guide
- Free Veterans' Benefit Guide
- Free pre-planning conference
- Life Video DVD
- Insurance processing
- Prayer cards
- Flowers
- Green burials
- Georgia Advance Directive assistance

For those who wish to plan their final arrangements in advance, our Society Membership is an ideal choice. Advance planning of your final arrangements allows you to make smarter financial decisions that fit both your needs and wishes, and grants you peace of mind in knowing that your loved ones are relieved of making these difficult decisions at a challenging time.
