# VETERANS' BURIAL AND MEMORIAL BENEFITS

---

As tribute to their dedication and sacrifice, all honorably discharged veterans are entitled to a free burial in a national cemetery. There are no charges for opening or closing the grave, for a vault or liner or for the marker in a national cemetery. This eligibility also extends to some Public Health Service personnel.

---

Other Veterans' Burial and Memorial Benefits include:

- Pre-need determination of eligibility for interment in a National Cemetery
  - Presidential Memorial Certificate
  - Gravesite in a national cemetery
  - Headstone, marker or medallion
  - Replacement medals
  - Burial allowance
  - Military honors
  - Burial flag
  - Free Veterans' Benefit Guide
- 

Benefits for spouses and dependents buried in a national cemetery include burial with the veteran, perpetual care, as well as inscription of his or her name and date of birth/death on the headstone. Eligible spouses and dependent children may be buried even if they pre-decease the veteran.

Cremated remains are buried or inurned in national cemeteries in the same manner and with the same military honors as casketed remains. SouthCare pays tribute to each honorably discharged veteran with a United States flag and contacts their branch of service to schedule military honors, playing of taps and presentation of the flag to the next-of-kin.

At SouthCare, we are committed to providing services that appropriately honor our nation's veterans.
